

PRESS RELEASE

TheValueChain Rising Star of the Year 2016

Kontich, 10 February 2017 – SAP Belux has declared TheValueChain *Rising Star of the Year 2016*.

20 deals

Ivan Leysen and Dieter Oversteyns received the trophy during the annual Partner Award Ceremony. Alain Georgy, Managing Director of SAP Belgium & Luxembourg, emphasized that TheValueChain owes the award to their excellent performance in 2016. TheValueChain closed 20 deals, including 5 net new names. “One name that jumps out, is Warsco Units, an expert in modular building systems”, adds Ivan Leysen. “They have selected us as partner to implement the first partner-driven SAP Business ByDesign project in Belgium.”

TheValueChain also made the short list in two other categories: *VAR of the Year onPrem* and *VAR of the Year Cloud Innovation*.

Top 3 in Belgium

TheValueChain achieved strong growth in 2016, employing 160 dedicated SAP consultants today. “As SAP VAR, we have moved into the top 3 in Belgium. It’s our ambition to consolidate our growth in 2017. Congrats also to Delaware Consulting as fellow VAR award winner in our segment”, concludes Dieter Oversteyns.

About TheValueChain – www.thevaluechain.be | <https://www.linkedin.com/company/2316369>

TheValueChain helps organizations speed up and increase the business value of SAP. As VAR and Partner Center of Expertise, we aim for smart innovation, simplification and sustainability. We help clients make optimal and pragmatic use of existing and new digital technologies in accordance with their challenges and business strategy. *We go beyond simple:* with functional and technical expertise and an unconditional commitment we convert every SAP implementation into a unique differentiator. Our focus areas are jump-start innovation, efficient processes, business-enabling technology, and maintenance and support services.

TheValueChain aims to be sparring partner and inspirator of business and IT decision-takers as well as transformation experts. More than 160 business and SAP experts assist our clients from offices in Belgium, The Netherlands, Luxembourg and Switzerland. TheValueChain is affiliated with the Gumption Group.
